Colour Inkjet DCP

OVERVIEW

Designed to give high print volume users bigger savings, Brother's inkjet Multi-Function Centre series features Refill Tank System that offers highly affordable ink bottles with ultra-high 6000 page-yield#. Besides enjoying low running cost, users also benefit from a smarter design that makes ink refilling effortless

Refers to black ink. Colour ink: 5000 page-yield. Approx. yields are extrapolated based on Brother original methodology using Test Patterns ISO/IEC 24712. Approx. yields are not based on ISO/IEC 24711

Enjoy low running cost with exceedingly affordable ultra-high 6000 page-yield# ink bottles. Reduce ink wastage with individual ink bottle refill system that allows you to replace only the colours you need.

.Plus, easily produce 2-up and 4-up on a single sheet. This saves paper when viewing drafts or layouts Refers to black ink. Colour ink: 5000 page-yield. Approx. yields are extrapolated based on Brother original methodology using Test Patterns ISO/IEC 24712. Approx. yields are not based on ISO/IEC 24711
