

# After Sales Services

At **Technostar**, we supply our products on a business-to-business level. We excel in the field because of our steady supply of quality products, the continuous stock on hand and an optimal after sales services. We stand for high technology sales and services.

Our professional, well-trained services team of more than **55 skilled employees**, is more than happy to serve around the clock and all over the Iraqi territories, whether it is for a single service or for an annual maintenance contract.

Good service includes the following:

- We guarantee a competitive price.
- We provide a good service after the expiry of warranty.
- our delivery times are acceptable for all parties.
- We offer customized solutions.
